## Spacious & Comfortable

Each of our furniture is designed to make clever use of space in small, medium or large bedrooms. Boys and girls any age will find the perfect environment to explore their surroundings. Along with kids furniture, our other main goal is to design space saving furniture solutions for small families in Nepal. Our collection also features living room and bedroom furniture pieces: shelves, bookcases and study-space units, beds, bedside tables and chest of drawers, wardrobes and closet systems. **Legacy** offers high quality furniture for kids and teens bedrooms, fit for any space. More than ever, we are specializing in improving modern, multifunctional and innovative solutions. In order to meet both parents and their young ones needs, our designs are updated and minimal. We promise you will only find modular bedrooms and space saving furniture; with modern style and design.

# Kids Room

## Showcase

# Why Legacy?

**01**

We bring more than 20 years of manufacturing experience.

**02**

Our furnitures are made with robust design that lasts for ages.

**03**

We associate with top international brands; our products are exceptional in quality.

**04**

We use modern machinery to give you the best finishing.

**05**

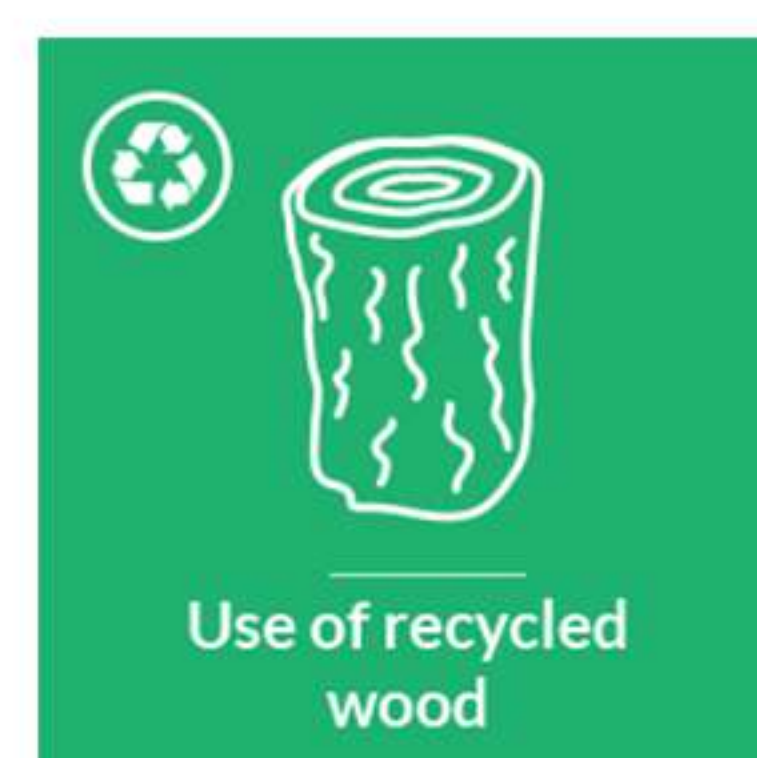

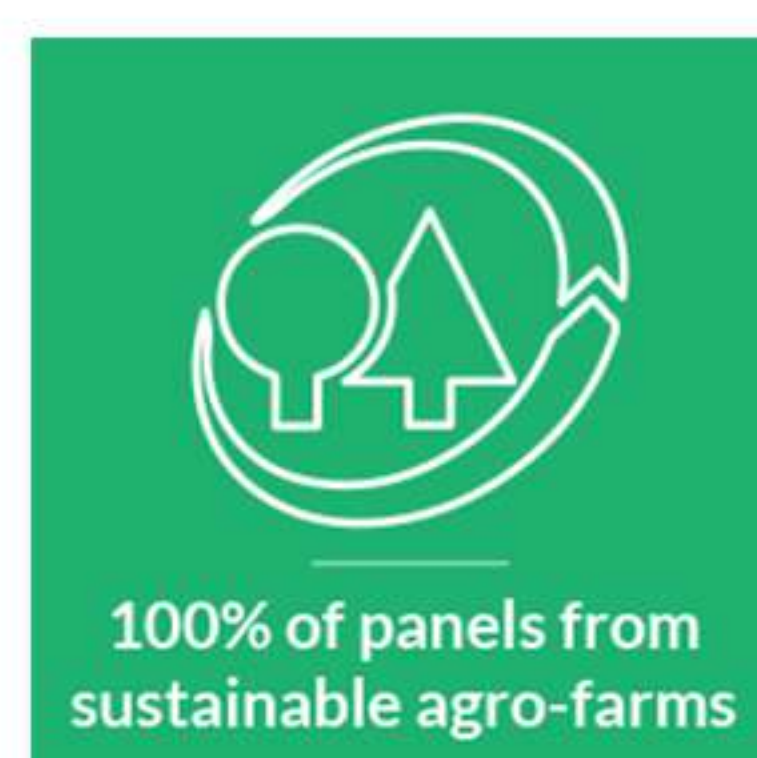

We provide exceptional after-sales service for our customers.

**06**

Timley delivery comes along with our service.

## Our Commitment towards Society & the Environment

As a manufacturer of furnished goods, we are environment conscious; using products from agro-farms we revoke the use of forestry resources. Hence, our furniture is environmentally sustainable and supports the agro-economy. We strive to maintain our ergonomic and environmental standards; however, we realize that the job is far from complete and that there are still many opportunities for us to shape an ever-more environmentally responsible development model, for which we work every day.
