# Why Legacy?

01

We bring more than 20 years of manufacturing experience.

02

Our furnitures are made with robust design that lasts for ages.

03

We associate with top international brands; our products are exceptional in quality.

04

We use modern machinery to give you the best products.

05

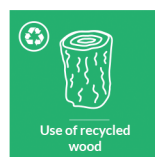

We provide exceptional after-sales service for our customers.

06

Timley delivery comes along with our service.

## Our Commitment towards society & the environment

As a manufacturer of furnished goods, we are environmentally conscious; using products from agro-farms we revoke the use of forestry resources. Hence our furniture is environmentally sustainable and supports the agro-economy. We strive to maintain our ergonomic and environmental standards; however, we realize that the job is far from complete and that there are still many opportunities for us to shape an ever-more environmentally responsible development model, for which we work for every day.
